## The DML G-Tech Pro Signup Form

---

Please give me your name & street address so I'll know who the G-tech should be shipped to, and your e-mail address in case I need to contact you for some reason.

Just to be sure we're on the same page, here is the description as to how this whole deal works... Its quite simple really; for a \$5 donation to the DML, you may "rent" the DML G-tech Pro for a period of 2 weeks. The person ahead of you on the list will mail you the G-tech. When you receive it, you may use it for a period of 2 weeks, then you must forward it on to the next person in the list. Two weeks is the maxium amount of time available for a single "rental". If you'd like the G-tech for more time, you'll need to go through the process again, donate another \$5, and add yourself to the bottom of the list again to wait for another 2 week session. Please indicate that you understand and agree to this by signing below. Thanks!

Please mail this form along with  
your \$5 or greater donation to:
